A THREE-MODULAR, 9 HOUR WORKSHOP

1

FRAME
with pencil

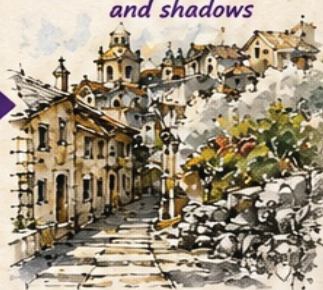

2

CONSTRUCT
with fine liners

3

FINALIZE
with details, shades
and shadows

Learn to sketch places and buildings using a simple, repeatable process. We'll start with a light pencil framework, build the structure with fine liners, and bring your sketch to life with details, shades and shadows.

*All levels
welcome!*

*No experience
needed.*

A list of materials needed as well as specific information on all three modules will be provided at registration.

Sketch on location!

*Capture the beauty
around you.*
